- Meeting opened by Matthews and shared information about Sharps data. Also shared about the Community presentation held on 1-29-24 and having a good turn out.
- Discussion of Hopeful Horizons starting from the CHIP plan and goal is to have one place for individuals to come to for resources. Talked about Hopeful Horizons being the umbrella with several other organizations, groups, entities, etc being underneath.....

- Our email is hopefulhorizonne@gmail.com
- We have a facebook group
- The PSA group was present with the how are you really campaign and wish to collaborate efforts with us
- Shared about outreach and education efforts, goals for trainings, presentations, grants and consistency in our community.
- Vanessa and Carrie shared about an app called p3app that may be something the group wants to check into
- Discussed meetings in the daytime versus evening time as hope is to have more people involved in the group and several others cannot attend during the day. The group appeared supportive of trying evening meetings
- We will meet the 3rd Monday of each month at 6pm

Next meeting is March 18 at 6pm at the Community Building (library)
