

OUR HOSPITAL

Our 50-bed acute care hospital is certified for swing beds with an additional 14 ambulatory outpatient beds. Established in 1972 by the merger of St. Mary's Hospital and Behlen Memorial Hospital, this not-for-profit hospital is governed by a local board of directors. We are licensed by the Nebraska State Board of Health and accredited by the Joint Commission.

We are a member of the Nebraska Hospital Association (NHA), American Hospital Association (AHA), Voluntary Hospital Association (VHA) and Heartland Health Alliance (HHA).

OUR PEOPLE

60:16

Active medical staff of 60 physicians representing 16 medical specialties.

950
More than 950 employees.

25
Additional 25 specialty services available for the community on an intermittent basis from visiting physicians.

323:17

Approximately 323 adult volunteers and 17 VolunTEENs.

OUR FACILITY

- Crews built Columbus Community Hospital's **153,000**-square-foot building in 2002 on 80 acres in the northwest part of Columbus.
- **In 2012**, the hospital completed a **30,000**-square-foot addition. This expanded the emergency department, increased patient privacy in the registration area and created a women's imaging center.
- **In fall 2015**, the hospital collaborated with the **YMCA** to open the Columbus Wellness Center on adjacent property. Most of the Rehabilitative Services department moved to the Columbus Wellness Center, and the pediatric rehabilitation service, Wiggles & Giggles Therapy for Kids™, relocated there from its off-site location.
- In August 2017, the CCH-owned **Child Care Center** opened. The Child Care Center accommodates up to 101 children and gives CCH employees a convenient child care option.
- The hospital offers inpatient and outpatient care, surgery and **24-hour** emergency care.
- The hospital's **South Campus** has offices for the medical outreach services of home health and hospice, Healthy Families and Occupational Health Services.
- In April 2019, the hospital began a **\$35 million** expansion and renovation project. This **50,000**-square-foot project enhanced our surgical services area and maternal child health department along with expanding the east side of the hospital.
- **In January 2024**, the hospital opened the new Columbus Fieldhouse just north of the Columbus Wellness Center. The fieldhouse is an extension of the hospital's mission to enhance community wellness.

DID YOU KNOW?

Columbus Community Hospital works with several colleges and universities to assist students in their pursuit of health care careers.

OUR SERVICES
