**Columbus Community Hospital Opens Columbus Psychiatry Clinic
with Ribbon Cutting Ceremony**

For Immediate Release

(COLUMBUS, Neb.) – Columbus Community Hospital (CCH) is proud to announce the addition of Columbus Psychiatry Clinic, the only full-time, locally based psychiatry clinic in Columbus.

A ribbon cutting ceremony will be held on Thursday, August 29 at 10 a.m. in the clinic located in the Healthpark Medical Office Building at 4508 38th Street, Suite 165.

Joining the clinic is Venkata Kolli, MBBS, who is board-certified in adult psychiatry and child and adolescent psychiatry. He has a special interest in adolescent mental health and helping families find a way to cope and manage what can be a difficult time.

“When someone is depressed, there are a lot of challenges for the individual, their family and the community. When that person gets treatment and they can get back to their life, there’s a positive ripple effect that improves the lives of their loved ones too,” Dr. Kolli said.

Dr. Kolli is licensed to prescribe medications and treat a range of mental health conditions including: depression, anxiety, post-traumatic stress disorder and much more.
