For Immediate Release

(COLUMBUS, Neb.) – Are you curious about the latest products and services in cosmetic surgery?

Columbus Community Hospital’s Columbus Plastic Surgery Clinic is hosting a free event for members of the public. “Ladies’ Night Out” will be held on Tuesday, November 19 from 4 to 8 p.m. at the clinic, which is located at 4508 38th Street, Suite 165 in Columbus.

At the event, attendees will learn about the services and products offered at Columbus Plastic Surgery, including Obagi Medical products. The extensive skin care line is composed of more than 85 innovative products, with more being added every year. Obagi Nu Derm® is the No. 1 physician-dispensed skin care system specifically formulated for all skin types. It corrects damaged skin at the cellular level, not just at the surface.

Additionally, attendees can enjoy “mocktails,” appetizers, free samples and giveaways!

Dr. Sanjay Mukerji, board-certified plastic surgeon, will be on hand to answer questions about services and products.
