Columbus Psychiatry Clinic welcomes new medical provider

For Immediate Release

(COLUMBUS, Neb.) – Columbus Community Hospital (CCH) is proud to welcome Jennifer Swantek, MSN, APRN, FNP-BC, PMHNP-BC, to Columbus Psychiatry Clinic.

“Jennifer is genuine, calm and compassionate, and her patients trust her,” said Korie Whitmore, director of clinics at CCH.

Swantek received her Bachelor of Science in Nursing from University of Nebraska Medical Center in Lincoln. She then earned her Master of Science in Nursing from Clarkson College in Omaha, where she also received a post-master’s certificate as a family nurse practitioner. She later received her post-master’s certificate in nursing as a psychiatric mental health nurse practitioner from the University of Colorado Colorado Springs.

In her professional career, she has worked as a registered nurse, nursing instructor and nurse practitioner. She has served as director of nursing education at CCH and an advanced practice registered nurse (APRN) at Columbus Otolaryngology Clinic. She has also worked as a house supervisor at CCH.

“She has a strong, natural ability to connect with her patients,” said Whitmore. “That allows her to quickly identify their needs and develop the most effective plan of care for success.”

Swantek is certified by the American Nurses Credentialing Center and holds memberships with the American Psychiatric Nurses Association, the International Society of Psychiatric-Mental Health Nurses and the Gerontological Advanced Practice Nurses Association.

She is currently seeing patients at Columbus Psychiatry Clinic, located in the Healthpark Medical Office Building at 4508 38th St., Suite 165.

“Not only does Jennifer bring a wealth of experience and knowledge with her to the clinic, but she also possesses an instinctive desire to help others and make a difference in the community,” said Whitmore.

For more information about Swantek or Columbus Psychiatry Clinic, call 405-562-4766 or visit www.columbushosp.org.
