The National Rural Health Association recently announced that Columbus Community Hospital was named one of the top 20 rural and community hospitals in the United States.

It received this award based on an evaluation by the Chartis Center for Rural Health that used the iVantage Health Analytics’ Hospital Strength Index.

CCH was chosen as one of the top 20 hospitals based on its:
- Inpatient market share
- Outpatient market share
- Quality
- Outcomes
- Patient perspectives
- Costs
- Charge
- Financial efficiency

CCH was also recently recognized as one of the top 100 rural and community hospitals based on this same index. It was the only hospital in Nebraska to appear on these lists.
